OFFICE OF THE SENIOR SURGEON,
MYSORE GOVERNMENT,
Dated Bangalore, the 4th March 192 2

FROM

The Senior Surgeon with the Government of
His Highness the Maharaja of Mysore,
Bangalore.

REVENUE JUDL. 5337 1922 LOCAL SELF GOVT. BRANCH

6 - MAR 1922

To

The Secretary to Government,
Revenue Department,
BANGALORE.

SIR,

I have the honour to report that, for want of other arrangements, the Matron of the Maternity Hospital, Bangalore, has been occupying a couple of rooms in the central block of the main hospital building. No quarters are available for the Assistant Lady Medical Officer, a draw back on account of which no lady officer is willing to accept the post.

2. To remedy this defect without incurring extra expenditure, I propose that the Government building now in the occupation of Mr. B.G.S.Acharya, may kindly be declared as attached to the maternity. There was, perhaps, some justification in the late Dr.Ramaswamy Iyengar's occupying the building when his hospital was located in ~~the~~ a building on the Lal-Bagh Road. Now that the Eye Hospital has been removed to new building near the fort, there is no administrative necessity for continuing the arrangement and giving the building to his successor in office, who, for the rent he now pays to Government (vide G.O.No.G.19487-9 Med.77-17-10 dated 5th March 1919) ought to be able to secure a decent house in Chamarajapet or Sankarapuram.

3. I therefore request that Mr.Achharya may be direly

kindly ordered to hand over to the Lady Medical Officer, Maternity, who may also be authorised to occupy it free of rent as such privilege is allowed to Lady Doctors all over.

4. The quarters now occupied by the Lady Medical Officer, will then become available to accommodate both the Matron and the Assistant Lady Medical Officer and the two rooms now occupied by the Matron will become available for some more maternity cases which I consider an additional advantage in view of the present overcrowded state of the hospital. It will also be possible to find some space in the extensive compound of the oculist's quarters to construct quarters for a couple of pupil midwives of the Maternity.

5. I request the favour ofearly orders.

I have the honour to be,

Sir,

Your most obedient servant,

K.B. Mukherjee

SSR-BVA.

Senior Surgeon.
